

# PREPARE FOR TAKE OFF!

## FACE MASKS REQUIRED

Passengers are required to wear face coverings in public areas.

## SECURITY

Increased queue line spacing is encouraged to improve social distancing.

## GATE AREAS

Passengers are encouraged to space themselves out in gate seating areas to minimize congestion.

## TOUCH POINTS

You can reduce touch points by utilizing mobile boarding passes and carry on luggage.

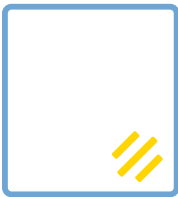

## HAND SANITIZERS

Additional hand sanitizing stations have been placed around the airport for use.

## CLEANING

We are cleaning more frequently in all areas with medical grade products to ensure public safety.

## PLEXIGLASS SHIELDS

Plexiglass shields have been installed in high-traffic areas, such as ticketing counters, gates, security checkpoints and stores.

## GROUND MARKINGS

Stickers have been placed around airport public areas to encourage all passengers to practice social distancing and keep a six foot radius around themselves.

## WASH YOUR HANDS

All passengers are encouraged to wash your hands with soap and water for at least 20 seconds.
